Press Release | July, 2017

Osmond - You may have noticed a new face in our Osmond Branch over the summer. Caleb Krohn began as a summer intern on May 8th.

Caleb is the son of Larry and Linda Krohn, and he grew up on his family's farm north of Osmond. He graduated from Osmond High School where he was actively involved in many organizations including Football, Basketball and Track & Field.

Caleb will be entering his second year at the University of Nebraska-Lincoln where he studies Accounting, Finance, and Economics. He is also involved with the College of Business Administration Honors Academy, Volunteer Income Tax Assistance, and Phi Beta Lambda at UNL. In his free time, Caleb enjoys participating in athletics, camping, and boating with his family.

Aaron Gutz, Branch Manager commented that, "Caleb is extremely bright, friendly, and a quick study. He has been a great addition to our staff over the summer". Caleb will return to Lincoln in the fall to continue to go to school at UNL. If you see him, be sure to wish him well on his college journey!
