Dear *Classic Club* Members,

Flowers are blooming, bees are buzzing, and the sun is extending its stay in the sky longer. Well, that may be true in some parts of the country, others, not so much. Even if we're still shoveling snow, March 20th is officially the first day of spring – and time to start looking forward to warmer weather!

Travel with Security..... In April travel with us to Sioux City for **The Main Street Opry** performance on Monday, April 9, at the Orpheum Theatre. Supper is included at the Golden Corral following the 2 p.m. performance. In May we will join the WJAG group for a day in Orange City, Iowa taking in the festivities of the annual **Tulip Festival**. Join us for this great way to celebrate spring's arrival! Last year's Discovering Knox County trip was such a hit someone suggested we do one for Cedar County. Plans are in the works for a **Discover Cedar County** trip on Tuesday, June 19th. You just might be surprised what we discover about this scenic area! It has been several years since we have traveled to **Branson** so we are currently working on a Christmas in Branson Itinerary. Watch for details and price for the Cedar County and Branson trips in your next newsletter. *(Trips require a minimum of 30 or trip will be cancelled.)*

As always, we thank you for banking with Security Bank.

Until next time ,
